

Fantabulous Fan Alert!!!

This testimony is from a new Rejuvenique Oil Intensive customer. She won her oil last month in a customer drawing.

Just wanted to let you know how much I love the Monat Rejuvenique Oil Intensive I won. Specifically, because I was applying it on my face and unconsciously blended it on my lips. It worked almost immediately to relieve the terrible chapped lips that I have fought from the chemo and meds for months if not years and doused with every Chapstick product on the market to no avail. As of today no chapped lips. AWESOME. May not be common use, but I apply a drop morning and evening. I never want to run out of this.

Thank you. Diane L.--Spokane, WA
