

Hear what Salons and Hair Stylists are saying about Monat's Anti-Aging Hair Care Products!

Monat is amazing! After just one use my clients leave with their hair feeling and looking better than it has in years! I'm so excited to be able to help my clients love their hair again! Thank you Monat for giving me a product that everyone loves! •• Stacy, Salon Owner - Kansas ••

My fined hair clients cannot believe the volume they get and it stay for a few days. Clients cannot believe what it does for them in one shampoo. Love giving my clients the best products available. Thank you Monat!!
•• Jill, Salon Owner - Michigan ••

I am amazed with everything about MONAT. I love the fact that there is a line that can help all hair types! I cannot believe the results that my clients are getting from this awesome product. I am so thankful after 22 years in the hair industry to finally be able to offer a product that gives such amazing results. Thank you MONAT for this opportunity. It's life changing!
•• Chris, Cosmetologist - Kansas ••

I have been working in the Hair Industry for 37 years and I've never sold a lot of retail till I started using Monat on my clients. About 80% of them are using it. I've had several clients' text me the next day telling me they love the products I used on them. I didn't mention the product to one client and she texted asking me what I used on her hair and then bought it. I've been her stylist for years and she has never bought retail. Monat is helping my client's hair grow longer and stronger! •• Susan, Hairdresser - Tennessee ••

I have been in the hair business for 38 years. I owned a salon for 15years.
This is by far the best product line I have ever used. I am amazed every day when I use these products on someone new at the results we get. I love being able to help my clients struggling with hair to have a product that really works. I would tell everyone about this product if I did not make a dime but the bonus is that it will not be long before my Monat income passes my hair styling income.
•• Taryn, Salon Owner & Stylist - Tennessee ••

We have been using Monat on our clients and we love it, they love it!
We have hard water at our salon so our Paul Mitchell shampoo/conditioner we have a hard time combing out where as with MONAT we don't! Add the oil to our color and it seems to prolong the color better with gray coverage as well! It truly is a great product!
•• Jenni, Salon Owner & Stylist - Michigan ••

"After 22 years in the beauty industry, I have finally found the HOLY GRAIL of hair products, MONAT!" I love it. My clients love it. I have been absolutely amazed by the moisture and health it restore to the hair and I can't believe the hair growth some of my clients are getting. Finally a product line that gets sustainable healthy hair naturally AND a real opportunity to make money when I'm not behind the chair juggling brushes, blowers and irons! I LOVE MONAT!!" •• Aimee, Stylist & Makeup Artist - Maine ••

"In my 15 years of being a hairstlist, I have NEVER sen any product do what Monat does! I've always given new products that come out a chance to see if they could do what they say. Nothing ever satisfied me. Until I was introduced to Monat! The results that I am seeing on my clients are indescribable. Clients and friends are gaining their confidence back because of Monat. And the best part of being with a company that has the best product is that you get to see lives changing and people dreaming bigger than they ever have before."
•• Kyla, Hairdresser - Oklahoma ••

"Monat has blessed my salon business and clients tremendously! Aside from an increase in product sales, bonuses for sharing with other hairdressers, (which we all do anyway) a product line that can solve every single hair/skin problem my clients have ever complained about, and contributing to the naturally based mindset of my salon and clientele, the best thing Monat has done for me is to change the lives of my clients with severe hair concerns. There's nothing like having a client crying tears of joy in my chair over what Monat has done for them. My salon is called B Joy Hair Studio, and Monat is contributing truth to that title. I am so excited to be able to offer THE best hair and skin care products to my clients and love love love that I can help them earn a paycheck for sharing Monat with their friends!"
•• Breila Joy, Salon Owner & Hairdresser - Texas ••

"I have been using Monat professionally for 5 months. My fine, thin hair has never felt healthier. With an endless supply of professional hair care products at my fingertips, I still only reach for Monat! The majority of my clients now use Monat as well! I get o hear daily about how Monat has had a major impact on my clients hair!"
